

Pre-reading and research will help you to become more familiar with the topics you are going to study on your A Level Business course. If you complete the tasks below, they will also help you to become more confident when you start your course. Remember it is also a good idea to make sure you recap and consolidate your GCSE or BTEC knowledge as well, if applicable.

A good place to start to look at the A level specification and familiarise yourself with what you will be studying on the course:
